Gentlemen:

Subject: Proposal for Furnishing Engineering Labor Effort -
Period September 19, 1966 through October 10, 1966

25X1A [redacted] is pleased to submit this proposal, after conversations with the sponsor technical representative, for the furnishing of necessary labor, material and facilities to accomplish the following:

- 25X1A (1) Prepare written responses to comments submitted in writing regarding [redacted] reports SCR-288 and SCR-289.
- (2) Prepare alternative sets of IIS assumptions which serve to bound the exploitation capacity during the 1968-1974 time frame and determine the impact on the IIS concept.
- (3) Prepare a plan for including the national imagery exploitation information base in the IIS concept. Specifically include an estimate of the size, ADP procedures for maintenance, impact on the IIS concept, and the time required for implementation.

25X1A This work is to be accomplished during the period September 19, 1966 through October 10, 1966 inclusive. We propose to perform this work as a cost plus award fee addendum to Task Order #14, [redacted] effort for a total estimated cost and fee of [redacted] (Cost Analysis - Attachment A).

25X1A This proposal will be automatically withdrawn thirty (30) days from the date of this letter if not extended by [redacted] or accepted by the Government prior to that date. Correspondence or communications relating to this proposal may be directed to the writer at [redacted]

For your convenience the telephone number is [redacted]

Very truly yours,

[redacted]
